

GAINESVILLE NEUROLOGY GROUP, LLC

Michael S Baugh, MD, obtained his medical degree from the Medical College of Georgia (now Georgia Health Sciences University), where he completed both his internship and residency. Board certified in general neurology by the American Board of Psychiatry and Neurology in 2002; he is board certified in electrodiagnostic medicine by the American Board of Electrodiagnostic Medicine. He is a member of the American Association of Neurology and American Association of Neuromuscular and Electrodiagnostic Medicine. Dr Baugh joined Gainesville Neurology Group, LLC in 2002.

To promote neurological interest in future physicians, Dr Baugh serves as an assistant clinical professor in neurology for the Georgia Health Sciences University and Gainesville Neurology Group serves as a specialty rotation site for the university.

Dr Baugh provides neurological care for patients age 13 and older.
